⚠ The Legacy Challenge

Gyms, fitness clubs, and sports academies lose 15–20% revenue to manual check-in leakage, unauthorized proxy entry, tedious renewal chases, and fragmented paper registers.

✓ The Modern Solution

Eaizy Members provides millisecond QR attendance scanning, dynamic digital member passports, multi-branch access verification, automated renewal reminders, and a public storefront.

Core Architectural Capabilities

✓ High-Speed QR Attendance Scanner

Front-desk tablet or mobile scanner verifies member status instantly upon QR scan, flashing active green or expired red alerts with sound feedback.

✓ Dynamic Digital Member Passports

Members carry 3D holographic digital membership cards on their phones showing live validity, plan tier, photo verification, and QR badge.

✓ Recurring Subscriptions & UPI Autopay

Flexible monthly, quarterly, and annual subscription cycles with seamless Razorpay payment links, automated invoices, and payment tracking.

✓ Public Storefront & Member Self-Enrollment

Built-in customer-facing storefront enables new members to explore facilities, pick plans, pay online, and receive membership credentials instantly.

Pricing & Onboarding

Pricing Model: 14-Day Free Trial. Starter Plan from ₹1,499 / mo. Zero Setup Fee.
